## **Meet the Hospital Sisters of the Third Order of St. Francis**

We are an international, multi-cultural congregation of Franciscan Sisters founded in Germany in 1844. We have more than 1,300 Sisters throughout our Provinces/Regions in Germany, Poland, USA, Japan, and India. The American Province, based in Springfield, IL, was founded in 1875 when 20 Sisters from Germany arrived to care for the sick, poor, and needy. We continue our healthcare ministry today through our 13 Illinois and Wisconsin hospitals of Hospital Sisters Health System.

### **We minister in the United States through the following:**

Nursing (hospitals, clinics, and home care) and Nursing Education

**In addition, we serve the poor and needy in Haiti and Tanzania.**
